Newest Payroll & HR Technology with Real People Support

## We listened. We delivered.

Managepoint is a professional Human Resources Outsourcing Company (HRO), providing proactive human resource services in a relationship. We deploy outsourcing strategies and products that help our clients focus on their businesses.

**With more than 25 years of experience, we have researched the options for an easier, more efficient way to assist our small business customers with their payroll needs.**

By combining the benefits of relevant technology along with a staff of LIVE support professionals, we think you'll want to learn more about the benefits of our payroll solution.

Newest Payroll & HR Technology with Real People Support

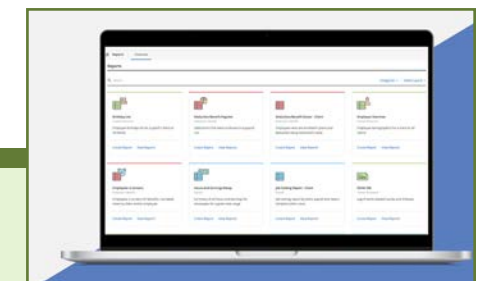

## Why Paypoint?

For years we have provided sensible payroll solutions for Midwest businesses, and this is the best one yet – plus it keeps getting better. Simply, **Most businesses don't need large, impersonal payroll solutions.** We introduced a better fit for our customers and for your small to medium-sized business. It's called Paypoint, and it's the perfect fit for you.

## It's Easy

It is a clean, intuitive and user-friendly interface for processing payroll, payroll history, employee earnings reports, benefits summaries and much more.

When Managepoint handles your payroll, it's accurate and on-time, every time. It doesn't matter whether employees are hourly or salaried, part-time or full-time, or paid weekly, biweekly, or monthly.

**Customizable for your payroll needs and with real-time reporting for both employers and employees to access, everybody wins.**

### The right-sized payroll solution that offers this and much more:

#### Accounting Reports

Detailed monthly accounting reports that can be used by accountants and employers.

#### General Ledger Posting Reports

Payroll journal entries for the General Ledger. Offered by accountants and employers.

#### Leave Time Accrual Report

For both the employer and employees, it details the accruals for leave time with balance information.

#### Tax Filings & Payments

Conveniently deposits all payroll taxes and files payroll tax returns.

#### Workers' Compensation

Useful in premium management and audit preparation, it is a monthly report of employee's compensation and premiums by classification.

#### Flexible 'Managepoint Pay Cards'

Managepoint now offers 'Managepoint' Pay Cards. The employee's pay is electronically deposited on the Pay Card, which can be used as a debit card with no fees, providing always accessible account activity/balance information.

**All of this and more, with the support of our staff to assist you when you need it most.**
